KEY ACHIEVEMENTS

- Led multi-brand rebranding initiatives focused on e-commerce trust, digital performance, and conversion uplift across consumer and industrial portfolios.
- Increased organic engagement and reach through content optimization, channel-specific strategy, and efficient paid media allocation that improved cost-per-result.
- Designed and implemented channel- and audience-based strategic pillars, improving message coherence, brand consistency, and ROI across paid and organic touchpoints.
- Integrated SEO and AI-driven content strategies (GEO/LLM-search optimization) to strengthen visibility on search engines and emerging AI platforms (ChatGPT, Perplexity, Gemini).
- Restructured creative and agency workflows, reducing campaign delivery time while improving production quality and brand alignment.
- Connected brand building, corporate reputation, and revenue conversion into a single performance framework — bridging marketing, sales, and communications.
- Built end-to-end content matrices and reporting systems that translated KPIs (engagement, traffic, leads, conversion) into actionable executive insights.

PROFESSIONAL EXPERIENCE

Marketing, Digital & Branding Lead TecnoLite — Consumer Tech / Lighting

Strategic management of brand portfolio, e-commerce, content, campaigns, and Marketing-Sales alignment.

- Owned end-to-end digital strategy across multiple brands, integrating e-commerce, content, paid media, and CRM into a unified growth framework.
- Led the rebranding and digital repositioning of consumer-tech product lines to strengthen e-commerce trust signals, on-page conversion, and post-purchase experience.
- Built a content matrix segmented by audience, channel, and funnel stage — improving relevance, organic reach, and time-on-site across web, social, and marketplace listings.
- Directed Google Ads (Search & Display), Meta, and TikTok paid media campaigns, optimizing creative iterations through A/B testing to improve CTR, ROAS, and lead quality.
- Implemented SEO and AI-search (GEO) best practices, expanding organic visibility across Google, Bing, and AI-driven discovery surfaces.
- Aligned Marketing and Sales pipelines through shared KPIs, lead-scoring criteria, and unified reporting — reducing handoff friction and improving conversion.
- Managed creative team, agencies, and external production partners, optimizing budget allocation and time-to-launch for product campaigns and seasonal activations.

Corporate Communication Specialist Vitali Alimentos / Grupo AG — FMCG / Food Industry

Led institutional communication, corporate messaging, and reputation-focused brand narrative.

- Designed and executed corporate communication strategies that aligned brand narrative across consumer, B2B, and stakeholder audiences.
- Managed reputation initiatives, internal communications, and executive messaging — protecting and amplifying brand equity across multiple business units.
- Built brand storytelling frameworks and editorial guidelines used by marketing, HR, and PR teams to ensure consistent voice across channels.
- Coordinated cross-functional campaigns linking corporate identity to commercial activations, driving awareness and trust within target markets.
- Partnered with leadership to translate business priorities into communication plans, press materials, and stakeholder content.

In-House Designer / Marketing Assistant 3M Latin America — B2B Industrial / Multinational

Creative and marketing support for regional B2B campaigns and brand initiatives.

- Produced creative assets and commercial materials for regional B2B campaigns across LATAM, ensuring compliance with global brand guidelines.
- Supported product launches, sales enablement collateral, and trade marketing materials for industrial and professional verticals.
- Collaborated with regional marketing managers and external agencies to localize global campaigns for Spanish-speaking markets.
- Gained foundational expertise in B2B marketing operations, multi-stakeholder approval workflows, and corporate brand systems within a Fortune 500 environment.
